RE: Invitation to Attend the Africa Food Systems (AFS) Forum Summit 2026

31 August - 04 September 2026
Kigali, Rwanda

Dear Sir/Madam,

The African continent is facing complex challenges arising from a matrix of global crises, including climate change, conflict, rising costs of living, and rising debt-all compounded by growing food insecurity. African food systems are particularly vulnerable, yet they remain central to the survival of our people and the continent's economies. For leaders, this is the time to step forward and work together to identify opportunities and lasting solutions to ensure Africa can continue to thrive.

The Africa Food Systems Forum (AFS Forum) will bring together governments, policymakers, entrepreneurs, businesses, academia, farmers, and civil society to discuss progress, share lessons, and spotlight policies, delivery mechanisms, innovations, technologies, best practices, business models, and investment opportunities that have the greatest potential to accelerate food systems transformation in Africa.

The AFS Forum 2026 will be held under the theme: ***"Investing in Africa's Agri-Food Systems: Nourishing Nations, Growing Jobs, Building Resilience"***.

On behalf of the Africa Food Systems Forum's Partners Group, I would like to cordially invite you to attend this year's Forum, to be held from **31 August to 4 September 2026 in Kigali, Rwanda.**

Registration is now open. You can register and proceed to secure your payment at https://my.afs-forum.org/. For this year's edition, registration fees are 130 USD (190,000 RWF) for residents and 400 USD for non-residents.

Should you have any questions, please do not hesitate to contact us at registration@afs-forum.org.

We thank you in advance for considering this invitation and sincerely hope that you will join us at this milestone event.

Sincerely,

Managing Director
Africa Food Systems Forum Secretariat
